

Membership for Blaston Show

07 May 2009

Blaston Show is once again being held on Sunday 28th June at Blaston Road, Slawston.

Members of Blaston & District Agricultural Show Society have played a vital part in the success of Blaston Show over the years. Besides supporting both the local agricultural & rural community and the selected Show charities, being a member of the Show Society also brings unique benefits.

As well as **free entry** to the showground and the **members' enclosure**, members will also be entitled to discounts on show class entries. All members will be sent a membership badge and car pass prior to the show. **Membership for 2009 is £10.00 per person or £20.00 for a family membership (to include two adults and their children).**

There will be a separate members' marquee overlooking the main ring. In addition to a pay bar and refreshments available, this year sees the launch of a "President's Lunch" to which members are invited to subscribe to.

Building on the success of the past 52 years, an all-new showground layout has been introduced with more attractions than ever. The two main beneficiaries will be Rainbows Children's Hospice and the Fire Brigade. Donations will also be made to other local charities and churches. For details of the full line-up, please see the Show website – www.blastonshow.co.uk

Please give your support to the Show Society and become a member for 2009 by either completing the application form on our website or by emailing your details to npgm@hotmail.co.uk
