

Change at the Top for Blaston Show

02 March 2009

The Blaston and District Agricultural Show Society are proud to announce an all-new management committee following an Extraordinary General Meeting (EGM) held at Slawston Village Hall last week.

The outgoing management team have held office within the society for many years and decided that now was the ideal time to step down and pass the responsibility for organising the annual show to a new team.

Newly elected Chairman of the show, Rupert West, paid tribute to the departing committee members and thanked them for the huge amount of effort that they have put into the show over the years. "The success of the show has undoubtedly been down to the dedicated team that have given a huge amount of their time voluntarily year after year" explained Mr West. "The new committee aim to build on this success and maintain the show as one of the main attractions in the summer entertainment calendar. On behalf of the Society, I would like to thank our predecessors for entrusting us with this responsibility and look forward to this year's show in June" he added. "Particular thanks must go to my predecessor, Roger Jackson, for his dedicated chairmanship over the past 25 years".

The Society has donated more than £100,000 to local and national charities over the years. This year's Blaston Show will be held on Sunday 28th June in aid of the Fire Brigade and Rainbows Children's Hospice. Further details can be found on the Society's new website – www.blastonshow.co.uk
