COVID-19

The regulations and other information given here were compiled to explain and provide procedures to enable the smooth and safe running of Blaston Show.

However, with the experiences we have all endured from the COVID-19 pandemic over the last two years, it is impossible to gauge what legal, medical, social or government guidelines will be in place on 26th June 2022.

We therefore request that all our Catering & Trade Stands, Exhibitors, Competitors, Judges, Show Staff and Visitors take measures to safeguard themselves and the public by adhering to whatever law or guidelines are in place concerning COVID-19 on Show Day.

Each stallholder and exhibitor will be responsible for their trade area in respect of hand sanitizing, mask wearing, social distancing or any other measures which form the basis of the COVID-19 rules concerning the operation of an event such as Blaston Show.

Thank you.
